

Eastern Blvd @ I-85
Right Read for Northbound Traffic

Make a statement. Huge 14' X 48' has an incredible read from all the way down Eastern Boulevard, from the five-lane traffic light just before I-85, and from the exit ramp off I-85 at exit 6. This market-best sign reaches motorists headed north and people exiting I-85 headed south. Ads here are not missed because traffic is slow, lights are long, sign is set low for max view shed, and image is from latest state of the art screen.

TierOne sells a maximum of eight :08 ads, so your ad appears once per minute 24/7.
