

PJ Adams Parkway, Crestview  
Facing East for Westbound Traffic

When the new PJ Adams bypass is widened it will carry much of the congestion clogging Crestview now, and TierOne is the first to target that crowd. At the Crestview water tower this left hand static has a long long read and reaches traffic leading to all of the new housing in north Crestview, Milton, Pace and Blackwater area. During commuting hours, and when Antioch Elementary School opens/closes this is a parking lot.
