

Breaking Ground Any Minute!

North Davis @ Airport Blvd
Facing North for Southbound Traffic

The curve on North Davis is just enough to extend the read on this left hand digital. Traffic reading this baby is heading south through major retail to downtown Pensacola, left (east) to the Cordova Mall and the Airport, and right (west) to I-110 and West Pensacola. It's the most exciting addition to the Pensacola landscape since the Seville Tower was built in 1910.
