

Eastern Blvd @ I-85
Facing South for Northbound Traffic

Make a statement. Huge 14' X 48' right hand read can be seen all the way down Eastern Boulevard and from the five-lane traffic light just before the North/South entrance to I-85. This market-best sign reaches motorists headed north and is right before Sam's Club as well as Auto Row destinations Toyota, Lexus, GMC, Buick, BMW, Chevy, VW and Nissan. Ads here are not missed because traffic is slow, lights are long, sign is set low for max view shed, and image is from latest state of the art screen.
