

Indoor Network

REACH

Network is in 20+ (non competitive) Destin businesses focused on residents - not tourists. Screens are positioned for maximum viewership.

FREQUENCY

Your message plays multiple times a day along with other local advertisers and content.

AUDIENCE

Viewers are on the go, so its a good complement to mobile (active consumer) and reaches where in-home media (TV, print) cannot.

EFFICIENT

Purchased as a network to reach all of Destin, surprisingly inexpensive.
